CARRIED

- iii) Monty Bryant, Chair, gave a report on the October 3, 2022, meeting. Mrk has begun on 'G-1.3 Board Decision Making'.

Retention was on an upward trajectory, but it was affected by the pandemic. Program enrolments are broken down by domestic and international, and Indigenous students included under domestic. There was a decline in trades and upgrading due to the hot labour market. Access numbers are on the rebound. Course registrations are looked at carefully, as a student in one school may take several courses in other schools. Many take fewer than five courses, so work has been done on mitigation. Domestic full-time (FT) is soft across the whole system.

VIII ADJOURNMENT

The meeting was adjourned at 6:55 pm.
